English technique

There are many ways to perfect English, learn and focus about new words, reading books ,watch some good programs with English language **2**

The most important thing you have to know is: vocabularies+ grammer **4**

HI??
TODAY WE WANT TO KNOW HOW ANYONE CAN SPEAK ENGLISH **1**

Good, what else?? **3**

Absolutely!! I will do as you tell me exactly !! **5**

Second scene

Okay thank you so much my friend **6**

And if you learn difficult word try to reach about it's meaning and put it in a sentence then it will be very easy **5**

any thing else?? Tell me more please..!!!! **3**

What is the important rules to learn?! **1**

You must to try studying every day specially new things and practice well **2**

Okay.. I will tell you .. when you learn any new word repeat it more than one time .. also try to read more. even when you do any type of exercises, because it makes you good than before .. **4**
